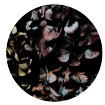
natural form

mini project



Today you will explore **Natural Form** through a range of photographic techniques, including darkroom printing, lightbox / studio photography. Drawing inspiration from **Ryo Ichii, Nick Knight, Adam Fuss, Karl Blossfeldt, Imogen Cunningham, Irving Penn, and Anya Gallaccio**, you will investigate the structure, texture, patterns, and forms found in natural objects.

By the end of the workshop, you should have:

- **A series of lightbox and studio photographs**
- **Experimental darkroom photograms and prints**
- **Initial research pages**

This session is the starting point of a mini project that you can continue developing. Simply visit our website HCCART, here you'll find further resources, artist references, and tutorials to support your work. Our aim is for you to leave with a strong portfolio of images and ideas that can be used as part of your GCSE or Personal Portfolio.
