VISION

A+D VISION is thoughtfully designed to guide you through your Art and Design A Level journey, providing a clear framework to support your growth and development. These steps are carefully crafted to aid your progression while upholding the high standards of behavior that we expect at Holy Cross. By consistently applying these principles across all areas of your learning, students have demonstrated significant improvement and success in this field. Following this structured approach not only enhances your skills but also fosters the discipline and dedication needed to excel in Art and Design.

If you would like more information regarding the A+D curriculum please visit the HCCART website.
