

## A LEVEL ART, GRAPHICS, PHOTOGRAPHY AND TEXTILES

The exhibition this year will be held in the **The Millage Shopping Centre, Bury**. As in 2011-23 we have managed to secure a great venue and will be able to open the show to the public. This is a very exciting opportunity, which you may never have again; to exhibit in a huge, public, art exhibition. Make sure that your work is complete and presented to the highest possible standards. Full details will be available on the HCCART website in due course. Here is the timetable for what is happening:

### OTHER VERY IMPORTANT POINTS

Just a reminder that you must sign up for your chosen days via the HCCART website. This is for Health and Safety reasons as well as allowing the college to authorise your absence from lessons.

There is no parking available at the shopping centre, however there are a number of carparks in close proximity (restrictions apply). Further details available on the HCCART website.

All work must be complete and presented in your space by **3:00pm** on **Thursday 16th May 2024**. This includes your final piece, sketchbooks and mounted boards. For those of you who study Photography and Graphics, please ensure you have submitted you website URL via the Microsoft Teams assignment. **Remember to click PUBLISH**. Final assessment will begin the next day.

The exhibition must be supervised during the public opening. At least one member of staff will be at both venue at all times but we will need student supervisors because of the size of the exhibition - it is also great to be there to hear the comments of the visitors. Sign up at HCCART.

All work must be collected from the venue on **Monday 17th and Tuesday 18th June** to allow for the boards to be removed by the college premises team before the lease for the space ends.

Officially all work belongs to the Examination Board until November 2024, so must be taken down very carefully and stored. The examboard often asks for examples to be used for other exhibitions/training (this has happened for the last 10 years), so it must be kept in complete and excellent condition.
