Text URL Phone SMS vCard Image  
PDF WiFi Email

### Enter Content

URL/Website \*

You're all set to [download your QR code](#).

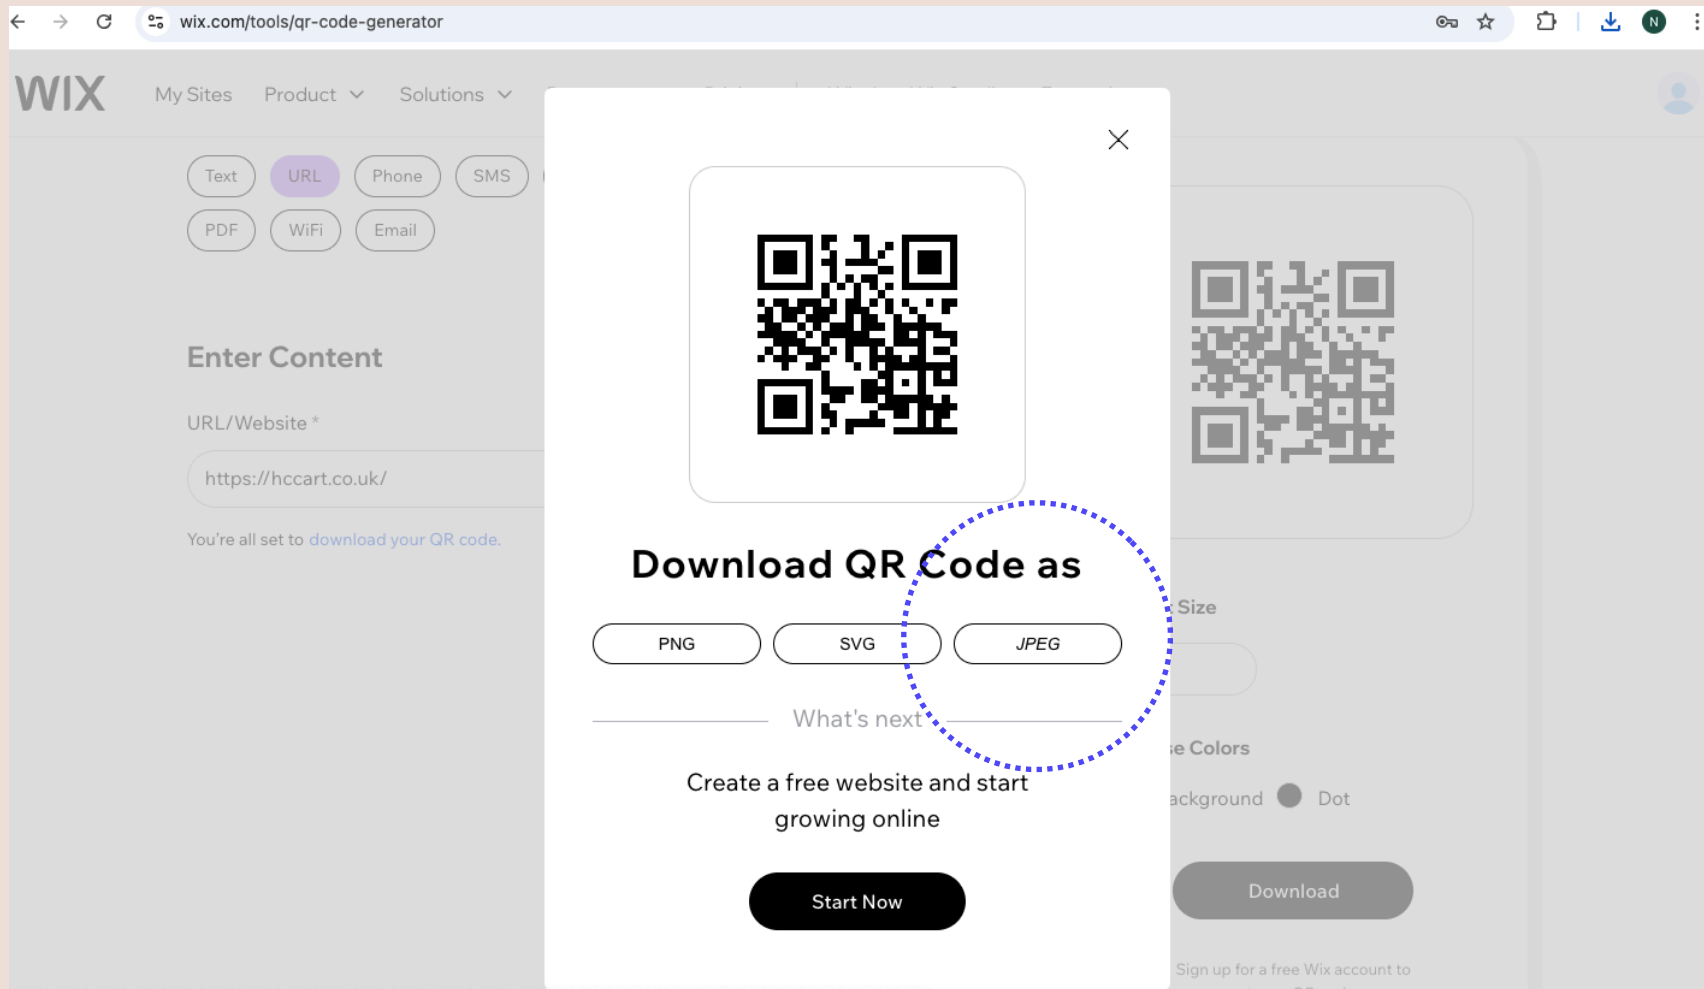

#### Select Size

#### Choose Colors

Background  Dot

Sign up for a free Wix account to get your QR code.

SELECT 'URL'

SELECT 'JPEG' THEN 'DOWNLOAD'

## SAVE YOUR QR CODE AND UPLOAD TO THE TEAMS ASSIGNMENT

PLEASE MAKE SURE YOU UPLOAD THE CORRECT QR CODE FOR EACH WEBSITE. IT IS YOUR RESPONSIBILITY TO GENERATE A CODE FOR COMP 1 AND A CODE FOR COMP 2 AND UPLOAD TO THE CORRESPONDING ASSIGNMENT SET. THIS CODE WILL BE PRINTED AND DISPLAYED NEXT TO YOUR EXHIBITION SPACE. YOU WILL ALSO NEED TO CHECK THE LAYOUT OF YOUR WEBSITE IN THE 'MOBILE' VIEW ONCE YOUR WORK IS COMPLETE AS THIS IS WHAT PEOPLE WILL VIEW DURING THE EXHIBITION.
